NOTICE IS HEREBY GIVEN, the Division of Water Pollution Control will hold a public hearing, pursuant to Rule 1200-4-1-.05 at:

October 6, 2004
6:00 PM
City of Hendersonville City Hall
One Executive Park Drive

Public comments will be received concerning the proposed issuance of a State water quality permit to Mr. W. Allen Bryant (Application number 04.056).

The purpose of the project is to build a residential development referred to as The Meadows of Indian Lake, in Hendersonville, TN, Sumner County. The applicant proposes to fill an adjacent jurisdictional wetland (0.65 acres) with backfill material to bring the area to grade. Compensatory mitigation for the loss of wetlands will be done through the debit of credit/acres through the Harpeth Wetland Mitigation Bank.

The hearing officer may limit the length of oral presentations in order to allow all parties the opportunity to speak, and will require that all testimony be relevant to water quality issues. Written testimony will also be accepted at the hearing, and will be considered part of the hearing record. Interested persons may obtain additional information, or inspect and copy the draft permit and related documents at the Division's office in Nashville.
